

REMARKS

The above-identified application has been reviewed in light of the Office Action mailed February 1, 2007. It is respectfully submitted that the claims pending in the application are fully supported by the specification, introduce no new matter, and are patentable over the prior art.

The Office Action stated that the application included claims directed towards several species and required the Applicant to elect a single species for prosecution on the merits in accordance with 35 U.S.C. § 121.

In response thereto, the Applicant hereby provisionally elects, without traverse, the species of Figures 18, 18A, 18B, 18C, and 18D. It is respectfully submitted that claims 1, 2, 4-9, 12, and 13 read on the elected species. The remaining claims are withdrawn from consideration. The withdrawn claims are subject to reinstatement in the event that the requirement for restriction is withdrawn or overruled. In addition, the Applicant expressly reserves the right to prosecute the withdrawn claims in one or more continuation and/or divisional applications.

Application Serial No. 10/729,634
